CHECK-OFF & ECHO NOTES

Start an Effective Vet-to-Pet Owner Conversation

If engaging in an initial diagnosis, start with:

"Ms. Jones, my exam revealed that Spot has bad breath due to plaque and tartar build-up on his teeth."

Or, for a follow up visit,

"Ms. Jones, my exam revealed a need to modify Spot's treatment plan for unhealthy gums."

State the Solution

Probios Dental Sticks are a delicious, multi-functional treat for dogs which support healthy teeth and gums while also freshening breath and aiding proper digestion.

Make Your Recommendation

Ms. Jones, I believe Probios Dental Sticks will provide an important tool for managing bad breath and proper digestion for Spot. This unique multi-functional dental stick supports healthy teeth and gums in dogs while also aiding proper digestion. Do you have any questions?
