Master of Veterinary Clinical Care Curriculum

FIRST SEMESTER — FALL: Core		
MVCC500	Intro to Veterinary Practice	1
MVCC511/LSCI510	Principles of Physiology	3
MVCC518	Professional Skills I	2
MVCC517	Veterinary Surgical Principles	1
Choose at least three additional credits below: Electives		
MVCC510A	Clinical Anatomy: Small Animal & Exotics	2
MVCC510B	Clinical Anatomy: Large Animal	2
MVCC515A	Advanced Clinical Skills I: Small Animal	1
MVCC515B	Advanced Clinical Skills I: Large Animal	1
MVCC512	Hospital Operations	2
MVCC514/CVM734	One Health: Health and Disease in Populations	2
Total credits		10
SECOND SEMESTER — SPRING: Core		
MVCC521	Adv Veterinary Care Coordination	1
MVCC528	Professional Skills II [prerequisite MVCC518]	2
MVCC522/CVM741	Veterinary Pharmacology and Therapeutics [prerequisite MVCC511]	3
Choose at least four additional credits below: Electives		
MVCC523A	Veterinary Imaging: Small Animal [prerequisite MVCC710A]	2
MVCC523B	Veterinary Imaging: Large Animal [prerequisite MVCC710B]	2
MVCC524A/CVM764	Veterinary Dentistry: Small Animal	1
MVCC524B	Veterinary Dentistry: Large Animal	1
MVCC526A	Veterinary Anesthesia and Analgesia: Small Animal [prerequisite MVCC511]	2
MVCC526B	Veterinary Anesthesia and Analgesia: Large Animal [prerequisite MVCC511]	2
MVCC529/CVM766	Introduction to Practice Management	1
MVCC525/CVM716	Introduction to Evidence-Based Veterinary Medicine	1
MVCC527/CVM744	One Health and the Environment	1
Total credits		10
THIRD SEMESTER — FALL: Core		
MVCC531	Advanced Veterinary Case Management	2
Choose at least eight additional credits below: Electives		
MVCC530A	Small Animal Clinical Medicine and Surgery [prerequisites MVCC510A, 511, 522]	4
MVCC531	Small Animal Emergency Medicine [prerequisites MVCC510A, 511, 522]	3
MVCC530B/CVM761	Exotics and Avian Medicine [prerequisites MVCC510A, 511, 522]	1
MVCC530C	Equine Clinical Medicine and Emergencies [prerequisites MVCC510B, 511, 522]	3
MVCC530D	Food Animal Clinical Medicine, Surgery and Emergencies [prerequisites MVCC510B, 511, 522]	4
MVCC530E	Lab Animal Clinical Medicine and Surgery [prerequisites MVCC510A, 511, 522]	3
MVCC535A	Advanced Clinical Skills II: Small Animal [prerequisite MVCC515A]	1
MVCC535B	Advanced Clinical Skills II: Large Animal [prerequisite MVCC515B]	1
MVCC535C	Clinical Skills II: Lab animal, Avian, Exotics [prerequisite MVCC515A]	1
MVCC538/CVM782-J	Applied Business Management [prerequisite MVCC529]	2
MVCC539/LSCI683	Research Design and Analysis	3
Total Credits		10
